THE LODGE
AT ST. EDWARD PARK

DAY 1

EXPLORE & RESTORE

THE GREAT OUTDOORS

Saint Edward State Park has 326 acres and 71 hiking and biking trails to explore in our backyard. Start your day with a stroll down the Seminary Trail to the shores of Lake Washington, or pick up a mountain bike from the front desk and take the road less traveled. If your four-legged friend is tagging along, they're welcome on the trails, too!

APRÈS HIKE

After working up an appetite, head to Father Mulligan's Heritage Bar for a light lunch or happy hour. Try our famous seasonal flatbread, or a hearty wagyu burger paired with a cold craft beer.

RETREAT TO RELAXATION

Soothe your sore muscles and renew your spirit with an afternoon at Vita Nova Spa. After your massage or body wrap, harness the rejuvenating energy of the infrared sauna, and allow yourself a moment of reflection in the Meditation Room.

A NIGHT IN

Spend a quiet night in at The Library playing classic board games and reading vintage books. Then head back to your room for a glass of wine and a restful night's sleep.

DAY 2

WINE & DINE

RIDE IN STYLE

For an unforgettable adventure, rent our 1938 vintage Pontiac limousine for a private wine tasting tour of nearby wine mecca Woodinville. Cruise through wine country with your own personal chauffeur spend the day sipping award-winning Washington wine.

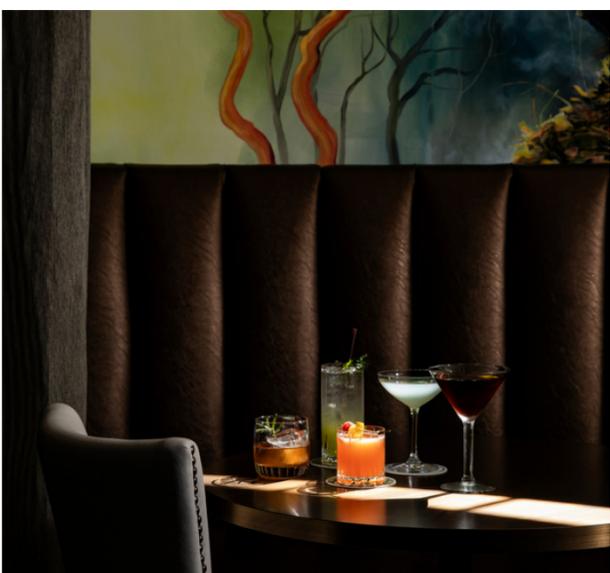

SIP & SWIRL

Just 15 minutes up the road, Woodinville is home to more than 130 wineries and tasting rooms. Visit Chateau Ste. Michelle, Columbia Winery and Novelty Hill Januik, or wander through the Warehouse District. Wine not your thing? Spend the day at Woodinville Whiskey instead, or visit Stoup Brewing and other hot spots in Kenmore's emerging beer scene.

DINNER IS SERVED

Round out your culinary adventure and end the day with dinner at Cedar + Elm. James Beard Award-winning Chef Jason Wilson and team serve up seasonally inspired, genuinely Northwest dishes in our beautiful light-filled dining room.

NIGHT CAP

Head downstairs to unwind at our most whimsical watering hole, The Tonsorium Bar. Set in the same space as the former Saint Edward Seminary barbershop, the fantastical bar lives up to its namesake. Take a spin in the original barber chair while sipping a damn good cocktail, we suggest the Garden Tipple.

DAY 3

ART & HISTORY

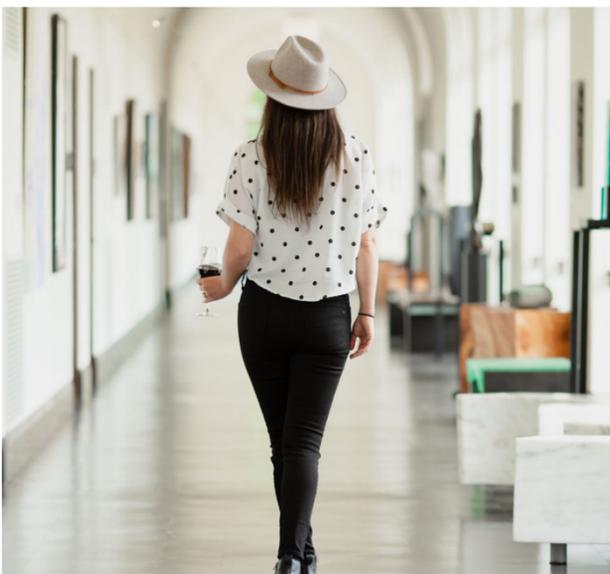

RIGHT SIDE OF THE BED

Spend a lazy morning waking up slowly to sunlight trickling in through your window. Enjoy a leisurely breakfast at Cedar + Elm, then grab another coffee to-go at Heritage Bar and take a stroll through the park.

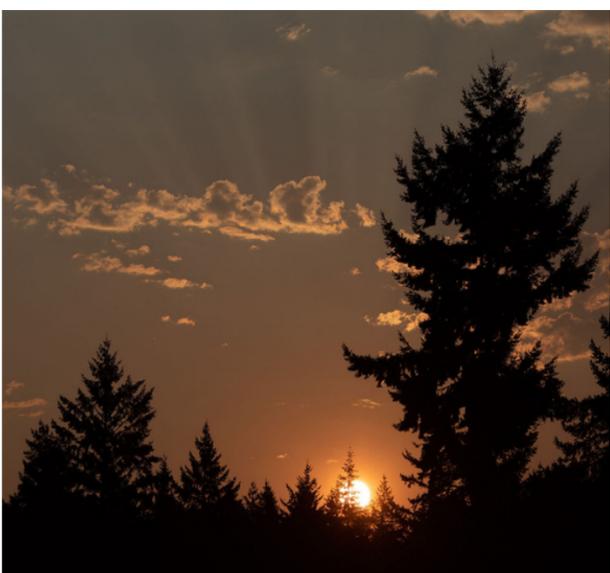

PAST TO PRESENT

Take the journey from past to present with our self-guided Stories of St. Edward tour. Visit the front desk to pick up a guide, then venture through the property to find QR codes each linking to a history lesson that tells the story of the space you stand in, the significance it holds, and the heritage of this iconic landmark preserved in time.

BRING HOME SOMETHING SPECIAL

Spend the afternoon wandering the halls of our Gallery of Fine Arts, perusing works from local artists. Bring home an authentic keepsake by purchasing one of the many pieces for sale.

LAKESIDE LIVING

Hop in the complimentary St. Edward shuttle and pop over to the lakeside town of Kirkland, just about 10 minutes away, where you can enjoy even more art with a vibrant gallery scene and local boutiques. Then head back to The Lodge for one last sunset before your trip comes to a close.
